The **Money Map Report** subscriber file reaches investors who have a specific interest in the world's big high-profit trends. The newsletter is published once per month and includes weekly email updates and alerts.

**Money Map Report** newsletter provides in-depth articles concerning world commodities and currencies, energy, and health, with a clear focus on breakthrough companies and technologies and intelligent, moneymaking advice for investors, regardless of experience or background. This newsletter is led by Chief Investment Strategist **Keith Fitz-Gerald**, one of the world's leading experts on global investing and a regular contributor to Fox Business, Barron's, and Bloomberg.

Subscribers to the **Money Map Report** newsletter are upscale, investment-minded and interested in making significant profits in the burgeoning explosion of global investing. As international investing has yet to hit the mid-income retail investors, these subscribers are mainly high-net worth, with an estimated \$1 million in investible income. There's nothing complicated or risky. Just buying and selling stocks, funds, and ETFs.

The **Money Map Report** List reaches an audience of information hungry investors who are focused on actionable investing ideas to put subscribers on a path to greater wealth. They are responsive to a wide range of quality consumer, investment, opportunity and subscription offers.
