7,869	Quarterly Hotline	\$200/M
83,414	Active Subscribers	\$175/M
5,032	2016-2017 Expires	\$145/M

The **Nova-X Report** Subscribers file reaches active investors who have a specific interest in the best technology stocks from a wide net of sub-sectors including mobile, internet, biotech, computing software and hardware, cloud and big data.

They are all active subscribers to a monthly publication that helps them focus on Strategic Growth stocks from small, under-the-radar companies designed to appreciate rapidly over the next 12 months or more. These long positions are designed to maximize your gains while providing growth and safety.

**Nova X Report** is an independent investment newsletter advisory published by Money Map Press, and edited by a 34-year Silicon Valley veteran and one of the top technology financial analysts working today, Michael A. Robinson. The newsletter is published once per month in print or online, with email alerts.

The **Nova-X Report** subscribers are active investors who constantly demand updated information, products, technologies, and services that will help them make informed decisions on their self-directed stock portfolios. They are receptive to a wide range of financial, technology, travel and upscale consumer direct mail offers.
